

## Guest ID Card Request Form

Individuals without an official university employee or student affiliation, who require access to campus services and facilities, are denoted as having the status type "Guest". These individuals can be sponsored for an ID Card via the following procedure:

### First Card Issue:

If the individual does not have an active role an administrator for the sponsoring unit must first complete and submit a request form to establish a new role for the guest:

<https://requests.rutgers.edu/>

### First or Replacement Card:

Once the guest has obtained an active role/NetID, they should complete this application and have it signed by their sponsoring department chair, center director or dean. Completed applications should be presented in person at a Card Office. For more information, including office locations and business hours, visit our website:

<http://iam-ipo.rutgers.edu/>

If your guest status with the university expires, you may return your ID card to a Card Office. Please do not otherwise discard your ID card. It can be reactivated should your guest status be renewed. There is a \$20 replacement fee for lost ID cards.
